FEET LOVE OUR SHOES

WELCOME TO WOLKYSHOP!

In this brochure we proudly present a selection of models from our **Wolky Autumn/ Winter 2020 collection**. **Wolkyshop has the biggest range of Wolkys**. Almost all models are available in a choice of colours and in sizes 3 to 10 (36-43) and sometimes even up to 11 (44)! Check out our current range in one of our stores or online. See you soon at the Wolkyshop or in our web store!

REMOVABLE FOOTBED

All shoes shown have an **anatomically shaped, removable footbed**. Ideal for women who use their own insoles.

LEATHER LINING

All our shoes except models with a warm lining (CW) are leather lined

STEP INTO WOLKY'S WORLD!

Put on a pair of Wolkys and you'll notice right away: **feet love our shoes**. Comfort is what we're all about. All our shoes feature anatomically shaped footbeds and are meticulously designed to produce a perfect fit. We also pride ourselves on our styling and colour, carefully selected materials and elegant finish.

W-NEXT

These stylish new boots in super soft leather are made in moccasin style, so they feel wonderfully soft on your feet. With their ultra-flexible rubber sole, they're a dream to walk in.

E-WALK® 2.0

This line consists of two models with a fresh, new design and trusted Wolky technology. The Roll-a-Way system in the sole helps you cover long distances with ease. With stretch leather uppers, the shoe is a great fit for every foot. The model on the cover is wearing the e-Walk® 2.0 05881 Victoria.

RUGGED

The perfect combination of sassy and sensual – that's the Rugged. The heel is lined in real wood for a hint of luxury. The flexible rubber sole makes for supreme walking comfort. Here our model is wearing the 01265 Raymore. The 01260 Red Deer (see inset) is also available with a warm lining (01263 CW).

STREAM

The shoes in the Stream line are stylish yet sporty. Here our model is wearing the 04432 Murray, an elegant lace-up boot that goes just as well with a dress or skirt as it does with a sassy trouser outfit. Besides the regular version, the Murray is also available in an extra-wide fitting (04444 XW) and in a "Cold Winter" version with a warm lining (04438 CW).

WATERPROOF (WP)

Every Wolky autumn collection features a number of waterproof models. Their stitched seams are sealed to keep moisture out, and there is a special membrane between the lining and the upper leather that is watertight from the outside in while allowing perspiration to escape.

CT

These sassy walking boots will keep your feet dry whatever the weather. They are waterproof, lightweight and have a handy anti-slip sole. Lined with comfy leather.
